

**To join the Brotherhood you must make 2 to 5 ascensions in one day.
8 possible starting villages and 9 access roads.**

On the west side, overlooking the meanders of the Rhône. The panorama opens to the west on the Monts du Lyonnais, the Beaujolais and the plateau of Crémieu.

In the South, you can enjoy beautiful views of the Chartreuse massif and the Belledonne chain. On the East side, you can see the Haut-Bugey massif and the Grand Colombier.

Participants must make at least two ascents (one on each slope: Rhône and Albarine/Furans).

**VERSANT
RHÔNE**

**VERSANT
ALBARINE / FURANS**

from Lagnieu :

from Contrevoz :

Probably the most beautiful views.

With a view of the Grand Colombier.

length 14.4 km / elevation change 818 m /% average: 5.68%

length 17.8 km/ height difference 728 m/Average % 4.08 %

from Sault-Brénaz

Ordonnaz:

The most difficult start to reach the climb road of Lagnieu.

Quiet roads and beautiful forest crossing between Arandas and Ordonnaz.

length 12.6 km/ elevation change 814 m /% average: 6.41%

length 23.3 km/ elevation 823 m
Average% 3.5%

from Serrières (hamlet of St Rambert en

from Serrières-de-Briord by Bénonces:

Probably the most difficult climb.

length 11.9 km/ elevation change 774 m / average % 6.55 %

variant (passing through the Correrie):
length 12.55 m / elevation change 781 m / average % 6.22%

from Montagnieu (les granges):

One of the most beautiful climbs through picturesque villages.

length 22.9 km/ elevation difference 880 m / average % 3.84%

Not recommended on descent due to deteriorated pavement between Lompnas and Ordonnaz but very nice climb.

Bugey) by Charvieux :

The wildest and quietest.

length 16.4 km/ elevation difference 746 m/Average % 4.54 %

deviation by Arandas and Ordonnaz

Compulsory ascent to obtain the rank of "Passe-partout" of the Brotherhood from Montferrand (municipality of Torcieu) crossing the Fay pass.

Beautiful view on the Plaine de l'Ain, La Dombes and the Bugey. The plus: the superb crossing over Cleyzieu.

length 24.6 km / elevation change 1,031 m % average : 4.19%

It is also possible to climb by :

- Tenay (Albarine valley) by joining Ordonnaz;
- Saint-Germain-les Paroisses (Versant Furans, near Contrevoz) via Lake Ambléon, Col des Fosses and Lompnas ;(superb views)
- Lhuis (Rhône side) via Innimond and Ordonnaz ; (pretty villages with typical architecture)
- Vaux en Bugey (via Fay, Col e Fay and Souclin); (wild, shady + view from Col de Fay)
- St Sorlin en Bugey (small variation on the 'wall' of the castle to reach the Lagnieu climb.
